Workbook Activity

Our Betrayal

Through our own words, actions, or inaction we too will eventually betray Jesus. When this happens, it is critical to seek Christ's forgiveness and then use the failure to strengthen our walk with Him.

1. Be honest: when was a time you denied or betrayed Jesus?

2. Is it possible that you are denying Jesus in your life right now? How?

3. How does your response change your future relationship with Christ?

Homework

- Understand that Jesus forgives us of all our sins, even betrayal, if we genuinely repent and seek forgiveness.
- Don't dwell on your failure, rather take advantage of it and make something great of it.
- Memorize Mark 14:31
